

Extended Warranty Programs

Genesis Network Warranty

When registered, a system consisting of exclusively Genesis Series Category 5e and Category 6 cables and pre-approved connectivity products from a Honeywell distributor shall carry a 30 year extended product warranty.

For complete program terms and registration requirements, refer to [Terms & Conditions](#).

Structured Solutions System Warranty

When registered, a system consisting of exclusively Genesis Series Cables and Honeywell Structured Solutions components shall carry a 20 year extended product warranty.

For complete program terms and registration requirements, refer to [Terms & Conditions](#).

Elite Connectivity Partner Warranties

Honeywell Cable partners with select connectivity manufacturers to offer complete coverage of structured networking system components.

Manufacturer	Products	Term
